The screenshot shows a Windows XP desktop environment. A file explorer window is open, displaying a directory structure. Overlaid on this is the 'Borland Delphi 7 Enterprise Edition - Installation Wizard' dialog box. The dialog box has a title bar with the Delphi logo and the text 'Borland Delphi 7 Enterprise Edition - Installation Wizard'. Below the title bar, it says 'Serial Number' and 'Please enter the serial number and authorization key found on your Delphi CD.' There are two input fields: 'Serial Number:' and 'Authorization Key:'. The serial number field contains '6AMD - PKG68E - DB8PP7 - N7GE' and the authorization key field contains 'S6J - BAW'. At the bottom of the dialog box, there are three buttons: '< Back', 'Next >', and 'Cancel'. A watermark 'WWW.MASOTONG.WEB.ID COPYRIGHT @ 2015' is visible in the bottom right corner of the screenshot.
